

ANNUAL REPORT

The Anand Public School (CBSE), Erode aims to be the Center of Excellence in Education using the state-of-the-art technology, where the seeds of the all-round development of the children are sown at an early age

Mission:

To:

Deliver an infrastructure that is on par with global standards, conducive for collaborative learning and performing

Provide an open, happy and secure environment for all our stakeholders

Ensure each of our learning engagements is knowledge focused, skill focused and has relevance to real-life applications

Embrace an integrated approach towards teaching and learning

Achieve 3E's – Extraordinary Education, Extraordinary Exposure & Extraordinary Experience to compete globally

Philosophy:

We facilitate a safe, friendly and constructive school climate for our stakeholders, where they can be themselves and openly express their opinions, where they feel secure and learn to live virtuously. We believe that every child is unique and that children learn better when they are in a happy state of mind. Our learning engagements are designed to focus on developing skills that are required to become confident, lifelong learners to face the future. Integration of academic knowledge and skills across different scholastic and co-scholastic disciplines makes sure every learning leads to meaningful action.

We provide curriculum that is dynamic, encompassing, balanced, rigorous and relevant towards supporting children to be confident and well rounded. It is incessantly reviewed and revised to enhance student learning. Building research attitude in children to comprehend and approach local to global issues, and to create new knowledge is our commitment towards a brighter and better world. We are committed to creating ample opportunities for children to explore, learn and grow, thus providing exposure to the immediate world and beyond. We recognize and identify the strengths of children; foster them to follow their heart, motivate them to take up new challenges, believe in competing with themselves and improve, and help them realize the need to grow responsibly.

Academic Excellence

CBSE Results March 2022-23(Class X and XII)

There were around 271 students from grade X and grade XII who had appeared for the CBSE Board Exams and we are indeed proud to say that the school gained cent percent results.

We congratulate these students for their excellent performance and extend warm wishes for their bright future.

Facilitators:

The most valuable resource that any school can have is its staff.

The school collectively has an enthusiastic and dedicated team of 60 Facilitators in the Senior Secondary, Secondary, the Primary and the Pre-Primary sections. In addition, we have Non-Teaching and Support staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives.

Innovation is the change that unlocks new value that leads to betterment and success.

The School continues to strive towards Innovation and the latest practices in the field of Pedagogy are being continuously incorporated.

To enhance the teaching and learning strategies in our facilitators as well as to motivate the ability of our teachers for their professional growth, continuous workshops were being conducted for the facilitators.

A real teacher is one who realizes that he/she must always be a learner.

In an effort to better themselves, a considerable number of our teachers have acquired degrees in B.Ed, M.Ed as well as other professional degrees in their pursuit of knowledge.

POP- Parents Orientation Programme

An orientation was given to teachers on how parents can be involved in the teaching – learning process of the children.

Parents' and Teachers' Meeting:

A General Meeting with the parents is held on a regular basis for the parents to be aware of the school system and to be aware of their ward's performance in school.

If you develop a passion for learning you will never cease to grow.

Academic Activities:

Competitions and academic activities that go beyond the text books and the classrooms, encourage and foster a healthy competitive spirit and effective communication skills in the students. The activities are conducted at classroom level,

school level and inter-house level. Some of these events are handwriting, essay, speech and slogan writing competitions. Competitions are also held for poetry recitation, story writing and narration, debate, English and Hindi elocution, GK and Mathematics quiz competitions. Prizes are awarded during school assembly.

Science & Mathematics Olympiads are conducted every year and the students perform excellently at the local as well as National level.

The school subscribes to various educational and entertainment magazines and periodicals which are available for the students to borrow and read.

Aristotle rightly said that educating the mind without educating the heart is no education at all.

Value based education is given for self development and personality development. This is done with the aim to inculcate in students values like honesty, gratitude, forgiveness, kindness etc. In addition, throughout the school year, on every working day, assemblies are conducted on a wide variety of value based themes and topics.

Important SMC Decisions

SMC meetings are held quarterly in a year. Some decisions that were taken up are as follows:

1. Finalization of Books for the students.
2. Discussion of Result.
3. Bettering up Student's performance.
4. Planning the Academic Calendar.
5. Transportation and other facilities.
6. Safety and security of Student's and Staff.
7. Infrastructural Development.

Co-curricular and Extracurricular activities:

These are an essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in-depth potential of students. The activities are conducted throughout the year.

Some of these events are Dance Competitions, Cookery Competitions, Poster Making, Best out of waste etc. Participation by the students and teachers in these events was very commendable.

It is said that you must practice like you never won and perform like you have never lost.

Games and Sports Competitions:

Apart from Good education students require good health and for that they need sports and physical education. **"Sports teach you character, it teaches to play by the rules, it teaches to know what it feels like to win and lose it teaches about life.** A.P.S. always takes sports as an essential element of education. The school has a well laid playground, indoor sports rooms and newly added terrace sports field to provide coaching for various games like volleyball, basketball, Badminton, Table tennis, yoga and aerobics. As you can see there are lots of pictures of the students who have brought fame by winning gold, silver and bronze medals in various sports programs at state and national level also. The students of A.P.S. brought stardom in Taekwondo and in swimming competitions.

Unique Events:

To boost versatile skills of the students cultural activities like **Talent Hunt Programme, Diwali Fete, Summer Camp** and many more are arranged. We are the first, in the twin city to organize summer camp. We have been conducting **Interschool Drawing & Painting, Art and Science Competition in our school for the last 15 years.** It is to bring to your kind notice that a **SSR Club** has been created by A.P.S. **Student Social Responsibility** mainly focuses on the major changes to be implemented on the Action plan of **Swachh Bharat Abhiyan, Girls awareness Programmes making children aware of traffic rules and to eradicate the human caused disasters.**

Conclusion:

**"The sky is not the limit
it is just the beginning"**

In conclusion, our annual report reflects a year of tremendous growth, achievement, and resilience within our school community. Despite the challenges presented, we've celebrated academic successes, nurtured talents through diverse extracurricular activities, and fostered a supportive environment for learning and personal development. As we look ahead, we remain committed to continuous improvement, innovation, and collaboration, ensuring that every student receives the best possible education. We extend our heartfelt gratitude to our dedicated staff, engaged students, supportive parents, and the wider community for their unwavering commitment to our shared vision of excellence. Together, we will continue to strive for excellence and make a positive impact on the lives of our students.
